

# Attakapas Post in 1769 by Donald J Arceneaux \$25.00

This book presents the translation of two early Attakapas primary-source documents: an undated, unsigned census and a 1769 Oath of Allegiance to Spain. A guide to the persons on the census is included. Intrinsic data are made available: names, ages, and relationships. The author presents extensive evidence to suggest the census year and identify the enumerator. A bibliography and index complete the study. Included, too, are several examples of period orthography.
